AMERICAN NAVY AIDS REDUCTION OF U-BOAT TOLL

British Summary Will Show Still Greater Reduction In Losses

ATTACK NEAR YPRES IS GROWING IN INTENSITY

Political Unrest In Many European Countries Continues to Hold Interest

[ASSOCIATED PRESS TELEGRAM]
New York, June 6.—The weekly toll of German submarines will be made public in London today and the forecast from the British capital, usually inspired, predicts that the announcement will carry the cheering news of another marked decrease in merchant shipping losses. The ravages of the U-boats have steadily diminished since the week ending April 22, when 55 ships were sent to the bottom. Last week only 18 vessels were reported sunk. The tightening curb on the submarines has synchronized with the arrival of American destroyers to take part in the campaign and a renewal of British raids by air and sea on the U-boat bases on the Belgian coast, especially powerful attacks have been made on Zeebrugge.

On land the British are maintaining the terrific bombardment and trench raids against the German lines in the Ypres section, tactics which have always hitherto heralded a greater infantry offensive. The bombardment and raids have been maintained for several days now, and the feeling is general that General Haig is about to launch another smashing blow against the invaders of France.

British activities in the vicinity of Lens indicate that General Haig has determined to make that coal city and the mining district around it so uncomfortable for the Germans that they will be forced to retire from it. While the artillery promise of a British offensive movement there, an attack was suddenly launched last night at points from the vicinity of Lens toward the Scarpe. The thrust was a successful one in the further process of rendering Lens untenable the British not only progressed on the western slopes of Greenland Hill, but pushed nearer Lens on its western outskirts.

Meanwhile the British activity in Belgium is by no means to be lost sight of. German newspaper comment indicates that "the Berlin staff expects a British offensive movement there. The German commentators are speculating with some concern on the heavy artillery fire that is going on and the notable concentration of troops reported behind the Belgian front.

The recent naval and aerial operations by the British on German bases in Belgium have been notably successful. Photographic observations have revealed heavy damage at Ostend where the greater portion of the dockyards and workshops were damaged and several vessels sunk. On the French front General Petain's forces have had to withstand two more heavy German attacks in the region northwest of Braie in the Alsace district. The Germans not only failed to gain their objective but lost heavily. The French line was maintained intact.

The latest German airplane raid on England seems to have resulted

THE GOD FATHER OF AMERICAN ARMY IS JOFFRE'S NEW TITLE

[ASSOCIATED PRESS TELEGRAM]
Paris, June 6.—A semi-official note states that Marshal Joffre while in America, had a conference with American military chiefs at which a plan of organization for the new American army was elaborated in agreement with the British leaders. The note will surprise none that the Marshal took a preponderating part in the plan, literally everything which he advised being adopted. His collaborators styled him themselves, "the Godfather of the American Army."

"At a moment when the first elements of this army are getting ready to take their place on our front beside our allies, the French government considered only fitting to confirm the marshal in his sponsorship. The minister of war feels that the moral authority attaching to his person and high situation, as well as his great experience gained in the recent war will enable him, in accord with the American high command to give to the new troops all the necessary advice and directions so as to prepare them for the effects they are called upon to meet."

LICKING COUNTY EXCEEDS ESTIMATES —4486 REGISTERED FOR WAR SERVICE

Four thousand four hundred and eighty-six men between the ages of 21 and 30 years registered for army service at the polls yesterday in Licking county. Of this number 2,372 registered in the city of whom 86 were colored and 161 aliens, 19 of whom were alien enemies. Out of the total of 2,372 1,407 claimed exemption for various reasons and 718 claimed no exemption whatever. Those claiming exemptions were persons totally disabled and those having dependent relatives and occupational exemptions.

In the 44 country precincts 2,114 were registered, 501 claiming exemption and 243 no exemption. These latter figures however, are not a sum total of all the precincts as in many cases question 12, relating to exemption, was not answered. It would materially swell the number in each instance, the claiming of exemption and no exemption.

The large number registering over the county was a great surprise to the election officials and all others who had made estimates based on the registration preceding the presidential election. A little over 14,000 votes were cast in November at the presidential election and it was estimated that not over 3,000 men would register yesterday. The result is gratifying and proves that Licking county will be in the front ranks of the state with its quota. The large number of registrations was augmented of course by the number of young men coming of age since last November, the foreign element and the large number of laborers brought to this city within the past six months.

The registration returns were received at the board of election rooms in the city hall last night, the first returns being received shortly after 9 o'clock, the time of closing the registration booths. The entire city registration from the 29 precincts was in the office of the officials before 10:15 o'clock and all but four

GERMANS LOST SIX AIRPLANES IN RAID OVER ENEMY LAND

London, June 6.—Four of the German airplanes returning from yesterday's raid over England were destroyed by British pilots, it is announced officially. One British pilot who pursued the Germans toward Dunkirk brought down two of the raiders. Later ten British machines from Dunkirk engaged the returning Germans, destroying two of their machines and forcing down four.

The total casualties in yesterday's raid were: Killed, 12; injured, 36. Sixteen German airplanes took part in the raid over Essex and Kent, dropping bombs which killed two persons and injured 29. Two German airplanes were brought down by the anti-aircraft guns while the raid was in progress.

THE GERMAN VERSION.
Berlin, June 6, via London.—A German air squadron has dropped more than 5,000 kilograms of bombs on military establishments at Sherness, England, German army headquarters announced today. Good hits were observed.

STOCKHOLM CROWDS IN BATTLE WITH SOLDIERS

Paris, June 6.—Clashes between crowds of workers and the police and soldiers in Stockholm during a debate in the Riksdag on Socialist anti-terroperations are reported in a dispatch to Reuters from the Swedish capital. During the debate the streets near the parliament building were barred by a double line of soldiers and police. Considerable crowds gathered and stones were thrown. The police used their swords and buttons and several persons were injured.

GERMANY HAS FOOD ENOUGH UNTIL HARVEST

Berlin, via London, June 6.—It is officially stated that at a conference between the Prussian House of Lords and the heads of the various government departments it was decided that the food supply was sufficient to enable the country to hold out for the remainder of the crop year and until the conclusion of a victorious peace.

POWER YACHT BURNS IN STORM; OWNER RESCUED

Toledo, June 6.—A new power yacht, operated by Jos. H. Keller, burned in Maumee Bay last night during a storm which swept Lake Erie. While the boat was pitching in high seas, a five gallon can of gasoline was capsized. It was ignited by a lamp. Half a dozen men were put out from two yacht clubs. Keller was rescued. The boat was destroyed.

EXCUSES MADE BY OVER HALF OF OHIO YOUTH

Returns Show That Nearly 75 Percent Claim Exemptions From Draft

REGISTRATION EXCEEDS EXPECTATIONS BY 60,000

Officials Blame Storms For Late Reports—Cards Exhausted In Cleveland

[ASSOCIATED PRESS TELEGRAM]
Columbus, O., June 6.—First figures from yesterday's registration for the selective draft in Ohio indicated today that between 50 and 75 per cent of Ohio's young men claimed exemption. Figures were far too incomplete for state registration officials to say what grounds the greatest per cent based their claims upon.

The first 14 counties that had made complete returns, including figures on claims for exemption, cast a total registration of 43,570, and 29,168 of these had claimed exemption. While the number of reports was small, the surprising per cent of between 60 and 70 claiming exemption was shown. On this basis, more than 350,000 of the expected total of 550,000 registering in Ohio claimed exemption from army service.

Approximately 60,000 more men of military age than estimated by federal and state officials, yesterday answered the "call to the colors." Incomplete returns from over the state today indicated that nearly 550,000 Ohio men registered for conscription. Prior to registration day, federal census officials had estimated that there were only 497,358 youths of military age in this state.

Storms throughout the state prevented county officials from returning early returns. Complete returns are not expected until tonight or tomorrow. No disorders and but few arrests marked the registration in the Buckeye state. A negro arrested in Cleveland on a burglary charge, was found not to have a registration certificate, and will be held for the federal authorities, according to reports to state headquarters.

Fred Clark, a registrar at Buena Vista, Fayette county, is being held by the military authorities following his arrest yesterday afternoon on a charge of being intoxicated while on duty at the registration booth. Clark said to have issued numerous certificates to young men before they registered, and several men of military age in Buena Vista are said to have such cards, although they were not listed for draft.

Clinton county officials at Wilmington were the first to send complete returns to be state headquarters in the state capital here. They were commended by Governor Cox in a telegram late last night.

According to reports received by state officials, nearly 25,000 men in Cleveland have not yet been registered because of the great rush yesterday. The registration booths were kept open there today and young men of military age may not be arrested for a day or two if they can't be held and held for ransom.

(Continued on Page 2, Col. 4.)

CAMERA CATCHES GERMANS DRIVING FRENCH INTO SLAVERY

French civilians being deported to Germany.

Thousands of able-bodied men, women and children in the occupied territory of Belgium and France have been deported to Germany, where as slaves of their Teuton masters they have been compelled at the bayonet's point to aid their enemies. This photograph was taken by a German officer and given to a French woman in the occupied town. Recently when the French recaptured the village it was found in her possession.

U-BOAT LIFTED FROM WATER BY U. S. SHELL; SUBMARINE THEN DISAPPEARS

[ASSOCIATED PRESS TELEGRAM]
Washington, June 6.—A German submarine is believed to have been sunk by an armed American steamer in a running fight lasting an hour and a half in which 30 shots were fired by the submarine and 25 by the steamer. An official announcement by the state department today says the steamer's final shot "apparently struck the submarine which raised clear out of the water and stood stern end up for a few seconds. She then disappeared."

The department's announcement follows: "The department of state is advised by telegraph of an engagement between an armed American steamer and a submarine. The guns of the steamer were manned by an American naval crew. The submarine was first seen at about 7,000 yards. She had a six inch gun forward and another aft. She flew no flag.

"Upon sighting the submarine the steamer hoisted the American flag and waited about ten minutes. As the submarine approached the steamer fired. The submarine responded. The steamer kept a speed that would permit the submarine to come within range. Then followed a fight lasting for an hour and a half. The submarine came to a distance of about 2300 yards. By that time the submarine had fired 35 shots and the steamer 25. The last shot of the steamer apparently struck the submarine, which raised clear out of the water and stood stern end up for a few seconds. Then she disappeared. The captain of the steamer and the commander of the guard believe that the submarine was sunk. The steamer suffered no damage."

BRAZIL DEFENDS SEIZURE OF SHIPS AS WITHIN RIGHTS

Rio Janeiro, June 6.—Brazil has replied to the German note protesting against the requisitioning of German ships with a declaration that the republic has acted within the strict limits of the law, even as interpreted by Germany. The Brazil reply says in part:

"The utilization of German ships by Brazil follows the torpedoing of Brazilian merchant ships and assures, directly and immediately, although by force, satisfaction for the losses caused by German submarines. Brazil is acting lawfully and on the basis of even German law. It has taken a step which all nations take, even without abandoning its state of peace, for the sole reason of forcing an offending nation to make due reparation."

FIND GERMAN PLOT IN ABDUCTION CASE

Springfield, Mo., June 6.—Plans to abduct a St. Louis manufacturer of munitions, as a part of a German conspiracy to block the shipment of such supplies, were confessed here today to Paul O'Day, prosecuting attorney, by C. J. Piersol, one of the six men held in connection with the disappearance of Lloyd Keet, 14 months old son of J. Holland Keet, wealthy banker.

Mr. O'Day announced the confession. Under the guidance of a man who, according to prosecuting attorney Paul M. O'Day has confessed that he is a member of a band which a week ago kidnaped the 14 months old son of J. Holland Keet, a banker of this city, and planned other abductions, that official and four detectives early today started for the place where it was said the baby had been held pending the payment of a \$6,000 ransom. The abductors escaped with the baby.

Five others, Claude Piersol, Taylor Adams, Mrs. Taylor Adams and the latter's two sons, are under arrest, charged with complicity in the plot, according to the prosecuting attorney. According to the official, C. S. Clement, a jeweler and his baby were among those who were to be kidnaped and held for ransom.

LAGGARDS GET NEW CHANCE TO REGISTER NAMES

Provost Marshal Says War Department Wants Census Complete

NEXT STEP IS SELECTION OF MEN FOR NEW ARMY

Remarkably Few Minor Disturbances Reported From Over the Country

[ASSOCIATED PRESS TELEGRAM]
Washington, June 6.—Provost Marshal General Crowder announced this morning that inasmuch as all registrars had been given until noon today to make up their reports no entirely complete returns of the registration could be expected until late today.

The provost marshal general also notified all governors that he had interpreted the law to permit any who in good faith failed to register yesterday to do so today and announced that a liberal policy would be pursued to make the registration complete.

In every state in the union today reports from the polling places to which some ten million young men marched yesterday to record their names were being assembled for transmission to the war department. The next step in the government's plan will be the selection of those who actually are to bear arms from others who remain at home because of dependents or to do the work on the farm or in the factory that must be carried on to maintain the nation at war. This task will be undertaken as soon as complete returns from the registration have been tabulated and survey at the office of the provost marshal general.

The men selected, about a million as now estimated, will be called to the colors and put into training early in the fall. Originally it was expected that the first draft would be made by the National Guard and regulars, but a few days ago it was announced that nearly a million men would be needed on the first selection.

No returns had been received by the war department last midnight but they were expected to come in throughout the day and to be practically complete, probably tonight. Registrars and officials of the state's election machinery faced the task of sorting and counting thousands of cards before making the final brief compilation. Partial reports of states, counties or precincts were forbidden.

Unofficial reports of a few minor disturbances attending the registration received today failed to diminish the surprise and gratification of government officials that the day passed with so little display of opposition. Only four arrests were reported officially to the department at justice last night and it was pointed out today that even the sum of all official reports of trouble indicated that the day was more peaceful than on most general elections.

Attorney General Gregory said his information indicated "a rocky and general response to the call of the young men of the country to the demands of the conscription act."

The war department expects full returns to show that a large proportion of young men exercised their prerogative and declined to claim exemption, even though they had many dependents or disabilities. Thus they expressed a spirit of willingness to abide by the judgment of local exemption boards and to accept their bit if the country needs them. Any who registered may still volunteer until selection day for any branch of the army, navy or marine corps, and automatically pass from the ranks subject to conscription, the war department pointed out.

Many who registered by mail failed to record their present addresses, Provost Marshal General (Continued on Page 2, Col. 3.)

INDIANA COAL OPERATORS BLAMED FOR HIGH PRICES

[ASSOCIATED PRESS TELEGRAM]
Indianapolis, Ind., June 6.—On the heels of a report condemning the coal operators of the state for the present "outrageous" coal prices which the public service commission submitted to Governor Goodrich yesterday, a coal conference will be held here tomorrow at which a member of the federal trade commission, possibly Governor Fort of New Jersey, is expected to be present. Governor Goodrich, member of the public service commission and coal operators of the state will attend the conference, at which an effort will be made to reach a solution of the price problem.

L. L. Bracken, secretary of the federal commission, conferred with the state commission yesterday and it was said the government board might possibly direct an inquiry into the Indiana situation which would lead to an examination of the books and records of the operators.

GIRLS' NOTES TO PRISONERS CAUSE OF JOLIET REVOLT

[ASSOCIATED PRESS TELEGRAM]
Joliet, Ill., June 6.—Evidence that the revolt in the Illinois state penitentiary here yesterday was planned with care the preceding night, was revealed today by prison officials.

A. L. Bowen, acting warden, said he had known of the impending trouble, but because of the "demoralized" condition of the institution he considered that the outbreak had to come, and that the sooner it was over the better.

Misguided interference of women, in efforts at prison reform, was blamed by Mr. Bowen for the condition of discipline in the prison. "Through the efforts of a league organized to obtain women correspondents for the men," the warden declared, "the mails became loaded down with letters, some from women 70 years old, others from school girls of 14 and 15. Their letters for the most part were of the most suggestive character, and a favorite pastime of the prisoners was to gather and read their letters to each other, speculating on the appearance and character of the writers. The revolt had its inception in my order that such a state of affairs should cease."

"To show the length to which some women went, there was a woman, 65 years of age, who came from Miami, Fla., to visit a prisoner 22 years old. At every station she telegraphed him and when she arrived she brought a vast amount of gifts—fruit and clothing—which were completely confiscated. Others wrote from Philadelphia, from California, and one from Alaska. Scores came from Chicago. And other places, to hobnob with the prisoners. Obviously such a condition could not continue."

The prison was quiet today and seven men injured in the riot, during which two buildings were burned and which finally was quelled by troops of the Illinois National Guard, probably will recover. One prisoner was killed during the outbreak.

GERMANY ADMITS LOSS OF DESTROYER IN FIGHT

[ASSOCIATED PRESS TELEGRAM]
Berlin, June 6, via London.—The loss of the German destroyer S-20 is admitted in an official statement issued by the navy in regard to the attack on Ostend by British ships. The statement follows:

"Enemy monitors shelled Ostend on the morning of the 5th, killing and wounding a great number of Belgian inhabitants and causing some material damage to houses. Strongly superior reconnoitering forces, attached to the advancing monitors, encountered two of our torpedo boats which were on guard. After fierce fighting the S-20 was sunk, firing to the last moment. A portion of the crew was rescued by us.

"The enemy forces received several hits and retired before the fire of our coast batteries."

PHOTOS SHOW DAMAGE TO WORKS IN BELGIUM

[ASSOCIATED PRESS TELEGRAM]
London, June 6.—Photographic reconnaissance of the Belgian port of Ostend, recently attacked by British aviators, show that a majority of the stockyards and workshops were damaged, it is announced officially. Serious damage was done to other harbor works and several vessels were sunk.

SOLDIERS FIRED UPON.

[ASSOCIATED PRESS TELEGRAM]
Santa Ana, Cal., June 6.—Soldiers guarding a railway bridge near here were fired upon last night by unknown assailants. The fusillade which heralded the attack was returned by the soldiers and nearly a hundred shots were exchanged. None of the soldiers was hit and an investigation of the encounter revealed no trace of the attackers.

To Save Is To Serve

THE WOMEN OF AMERICA MAY
LEND TREMENDOUS AID IN
THESE TURBULENT TIMES

SIMPLY by exercising the woman's prerogative—by acting in her natural capacity as the censor, the sponsor, and dispenser of her own household.

By a simple system of saving that will work for the general good.

By curtailing expense—by eliminating waste—by instituting modern efficiency methods.

By installing in your home the greatest of time-savers and money-savers. By employing the power of electricity as the greatest help of the age.

"Do It Electrically"

Save yourself—save time—save effort. Let electric service do your work—more easily—more readily—more economically.

The woman who cooks, cleans, sews, washes or irons electrically finds her housework simplified. Thus she saves time and energy most needful to a nation at war.

Let your electric light company or your nearest electrical contractor give you full information on how to "save work electrically."

The Ohio Light & Power Co.

IN WAR TIMES

The Buckeye State Building and Loan Company, Rankin Building, 22 West Gay Street, Columbus, Ohio.

1. Urges you to be economical
2. And save your money,
3. And help your Government
4. By buying Liberty Bonds.
5. And further help yourself
6. By a good savings account
7. With The Buckeye.
8. Thus you will have safety, profit, satisfaction and contentment.

JEWELERS TO CLOSE

We the undersigned Jewelers and Opticians agree to close our places of business at 12 o'clock on Thursday during the months of May, June, July, August and September:

SWEET CREAM ANNOUNCEMENT

We are now buying sweet cream at our Newark, O., plant.

This cream must be delivered daily and produced upon farms complying with our dairy requirements. Call and get our price. We pay a very extra price for these goods.

You who live out a distance, but who are near the interurban or steam roads, should be specially interested in this proposition.

This is a fine opportunity for producers who live in groups to do their hauling jointly, either to a shipping point or direct to our Newark plant, each taking his turn. This effort will be well paid for.

This is the day of the quality article and fresh, sanitary cream is bound to command the highest price.

We are specialists in the buying and distributing of sweet cream. We also want to buy more milk. Call at our office.

THE LICKING CREAMERY CO.
Elmwood Court.

When Your Eyes Need Care

Try Marine Eye Remedy

It is a sure cure for all eye troubles. It is a sure cure for all eye troubles. It is a sure cure for all eye troubles.

Our Want Ads Bring Results.

CHARGE PARENTS WITH LIABILITY FOR MUCH CRIME

In Dr. McCuaig the people of Newark are unquestionably coming into touch with one of the great spirits of the age—a genius of whom children's children will talk. For an hour and a half last night in the Central Church of Christ, men and women sat under his magic spell, as he discussed home-life and its relation to crime.

At 7:30 o'clock tonight in the same church Dr. McCuaig will deliver that which has been styled the masterpiece of his pulpit, "The Voice of God." In the city of Wheeling, W. Va., this address was delivered three times by special request, and each time to great audiences.

Dr. McCuaig's subject tomorrow afternoon at 2:30 o'clock in his lecture to women, will be "Hereditarily," in the discussion of "Causes of Crime." Dr. McCuaig made the unflinching declaration that "the use of alcohol as a beverage is not the chief cause of crime among men," and back of the assertion he massed testimony and argument in an avalanche of irresistible logic.

That crime, in its true essence, is a "moral deflection," leaping out of some actual passion of the man, precipitated readily under the condition of uncontrolled indulgence by alcohol, but answering always to the appeal of some ineluctable influence, was the trend of the convincing argument.

Tremendous emphasis was laid on the fact that his "moral deflection" is often a condition lying latent in the life from childhood, the direct result of failure of parental responsibility.

That culpability should be laid at the door of the home for the fallen of the streets and the wrecks and derelicts of society, was Dr. McCuaig's startling arraignment.

It is quite the usual thing to bring the saloonman to judgment and the keeper of the house of ill-fame and the vendor of depraving amusements and the exploiter of the game of chance; but to put fathers and mothers in the dock, face to face with unerring justice, with the blood of their own children on their hands, was a new setting for a truth that is as fundamental as the Word of God and deep-seated as human consciousness.

Emphasizing the importance of home teaching, especially of the sexual function and of the habits of self-control, the speaker said: "I bid you stand appalled tonight before the significance of the mother's responsibility. I bid you consider the seed of death that, through a mother's indifference, an enemy may sow in the mind of the child."

"From it will spring an awful tree, a tree that will bear many fruits, and every fruit will be for the damning of the nations—prostitution, disease, crime, divorce and the slaughter of a host of innocents. From such a harvest your sons will pass into the night—dark, dark, dark, awful night. Not a star to give light, not a flickering candle to break the darkness; night—black, black, black crushing, hopeless, eternal night. Whatsoever a mother sows that shall her children reap."

FREE SCHOOL WILL OPEN ON JUNE 18, CENTRAL BUILDING

On Monday, June 18, a Free-Summer School will open at the Central-School Building for the benefit of pupils who have failed to pass subjects and who wish to go on with their class. Also pupils who would like to get a start in new subjects. Pupils who attend summer school must be recommended by their teacher. Miss Cora B. Haughey, assisted by experienced teachers, will be in charge. Parents desiring children to attend summer school must enroll such children between the hours of 9 a. m. and 11 a. m. at Central School Building on Monday or Tuesday, June 11 and 12, for further information phone Superintendent Wilson, Hawkins.

The Newark Public Play Grounds will open on Saturday, June 9, at 8 a. m. White Field in charge of Mrs. Miller and Miss Snelling. Holey Field in charge of Mr. Klopp and Miss Myer. Riverside in charge of Mr. Long and Miss Hart.

NEWARK BOOSTED AS MEETING PLACE FOR ENDEAVORERS

The advantages of Newark as a convention city are set forth in a two-page feature in the current issue of the Ohio Endeavorer, the official organ of the Ohio Christian Endeavor Union. Letters of invitation from the Y. M. and Y. W. C. A., the Ministerial Association, Mayor Bigbee, Senator J. Henry Miller, A. R. Harris and other prominent citizens of Newark are included. The publication has a large circulation over Ohio and as other cities are making the concentrated effort that Newark is to secure the state C. E. convention for 1918, her chances for success are great.

CHAPLAIN'S POSTS IN AMERICAN ARMY HAVE BEEN FILLED

Uncle Sam's fighting forces will be well looked after spiritually according to information given to L. C. Emerick, minister of the Side Church of Christ, when he made application for appointment as an army chaplain. State officials told Mr. Emerick that as applications now were on file to fill all positions in the forces now contemplated, including the national guard, the regular army and the proposed draft army which will be created later. Military forces created after that time will be provided with chaplains appointed from new applications.

TOWNSHIP PLAY FESTIVAL AT TOBOSO ON FRIDAY

The first annual play festival of Hanover township will be held on the school ground of the Toboso school building Friday afternoon, June 8. Exhibitions of fancy dancing on the lawn, and out door sports and games will make up the program.

On Saturday evening, June 9, a splendid school program will be given the new school building at Toboso. There will be no admission charged to the exercises.

No Corn Can Resist Putnam's Painless Extractor

To-night paint on a thin coat of that old reliable "Putnam's Extractor." Next morning the pain is gone, you feel a whole heap better. Keep up the treatment—simply follow the special directions given and off will come the bunions, away will go the corns, you'll feel like a tango artist. For foot comfort there's nothing to beat Putnam's Painless Corn Extractor, 25¢ at dealers everywhere.

SAVE WASTE SPACE IN FREIGHT CARS; ROAD SHOWS HOW

How car space is wasted by the practice of shipping commodities in single trade units is graphically shown in a car utility bulletin just issued by the transportation department of the Pennsylvania railroad. Copies of the bulletin will be distributed to all freight and station agents, with instructions to place them in the hands of shippers, consignees, brokers, buyers, boards of trade, chambers of commerce and merchants associations, located within the jurisdiction, and urge co-operation in making more efficient use of the carrying capacity of freight cars.

The bulletin is illustrated with a series of seven diagrams showing the customary ways in which tomatoes, fertilizer, sugar in bags, sugar in barrels, salt in bags, oil in barrels and cotton in bales are shipped. If the wasted space in the freight cars on the Pennsylvania railroad system were utilized, the result would be equivalent to placing more than 120,000 additional cars at the service of the country.

PORT CLINTON BOY SCOUTS HERE FOR U. C. T. OPENING

Twenty-five automobiles will bring the Port Clinton Boy Scouts into Newark at 11 o'clock, Thursday morning. They bring their own tenting equipment, instruments for a band of 35 pieces, and are accompanied by 15 citizens from Port Clinton and Ottawa county.

These scouts are in great demand, in different parts of the state. They helped Toledo put on the biggest Memorial Day celebration; that city has seen in many years. They left yesterday morning on their annual hike and will visit Delaware, Columbus, Newark, Mt. Vernon, Mansfield, Akron, Cleveland and other Ohio towns enroute.

Thursday's Program.
11 A. M.—Arrive at north side of Square. Will be met by the committee and escorted to the Country Club.

12:00 M.—Boy Scout luncheon at Country Club, served by the Women's Federated Clubs. All Boy Scouts of Newark are invited to the luncheon as guests of the federation.
1:00 to 3:00 P. M.—Visit to the Indian mounds of the vicinity under direction of Walter C. Metz. Other points of interest will be visited in this connection.

3:30 to 4:30.—Attend a Boy Scout lecture in Taylor Hall Y. M. C. A. building, by Dr. McQuaig.
4:30 to 5:30.—Exhibition of Boy Scout work and stunts, east side of court house.

5:45.—Supper at Masonic Temple.
6:45 to 8:00.—Band concert in the court house square, by the Boy Scout band.

8:00.—Mardi Gras carnival on Hudson avenue in honor of U. C. T. delegates.

Arrival at Newark Scouts.
The Boy Scouts of Newark will assemble at 9:30 a. m. in the following order:

Troops No. 4 and No. 7 at the Central Church of Christ.
Troops No. 5 and No. 8, at the Second Presbyterian church.
Troop No. 6, at Trinity parish house.

Every scout bring staff and other equipment. Officers will meet the troops at their headquarters and direct them to the Country Club. Boys who are taking examinations are included with Newark Scouts. Newark Scouts are not included in the supper at Masonic Temple, but will get supper at home.

WILLIAM E. HOPKINS, Scout Commissioner.
The band concert Thursday evening in court house square will present novel feature.

Judge Rupp of Ottawa county and Attorney Gallaher of Port Clinton will speak. They will tell why fifteen citizens of that county think it worth while to spend ten days on a tour of Ohio with a hundred Boy Scouts.

STORE IS ROBBED AT SUMMIT STATION

Summit Station, June 6.—Thieves visited Mrs. C. M. Beal's store at this place between midnight and Sunday morning, taking one pair of men's \$4.25 shoes. The entrance was made through a window. No clue. The store is broken open twice annually.

Those of our young sons who have enlisted in the army are Earl B. Salts, William K. Tharp, Frank Tharp, Louis Sinsabaugh and Clyde Buckingham.

Mr. and Mrs. F. S. Spangler of Columbus were Sunday guests of the former's brother, H. H. Spangler and family here.

Miss Rachel Naumar of Columbus was a Sunday guest of Miss Olive Holcomb.

Noah Elder of Cleveland is visiting his parents here.

Mr. and Mrs. Robt. King, Mr. and Mrs. Elsworth Clair of Mt. Gilead, motored over to this place Sunday and called on the former's uncle and aunt, Mr. and Mrs. J. S. Axline.

Jesse Moran, a section hand is laying off with a badly sprained wrist.

Mrs. Cleveland Gillippen and children are visiting the former's mother, Mrs. Margaret Pitt.

Born to Mr. and Mrs. William Morrison, Jr., last Friday, a daughter.

Walter St. Clair and family of Edison were the week-end guests of relatives at this place.

Mrs. W. P. Rider of Lowell, is visiting her daughter, Mrs. William Morrison.

Our Want Ads Bring Results.

HERE are the most brilliant recent successes—the dances that made instantaneous hits—recorded with a zest and a sparkling, bubbling brilliance that will get any dancer up on his toes.

Listen to these Columbia Dance Records—they are sure to prove all you expect—and even more! Columbia recordings of dance-music are almost "too good to be true!"

"It's Not Your Nationality"

Columbia Record A5944, \$1.00

A big song-success turned into a still bigger dance-hit, introducing the melodious "You May Hold a Million Girls in Your Arms," with a merry bell accompaniment. "Some Fox!" is the verdict of every dancer! "Every Little While," Tate's tuneful fox-trot, is splendidly recorded on the reverse.

"Yearning for You"

Columbia Record A5947, \$1.00

A slow, sweet waltz of romantic tenderness, with a beautiful introduction that recurs once again. You don't dance—you float to the strains of such music! Another waltz-romance, "Songs of the Night," forms the reverse of the record.

"Havanola"

Columbia Record A5938, \$1.00

This is the fox-trot any good orchestra never misses playing at least once an evening—the fox-trot that no dancer can resist—good or indifferent, novice or expert! It is guaranteed to get the whole company dancing! On the other side is "The Inner Circle Toddle"—the novelty introduced by G. Hepburn Wilson and recorded under his personal supervision.

"Allah's Holiday"

Columbia Record A5945, \$1.00

The big hit of the musical comedy, "Katinka," combined with "I Want to Marry a Male Quartette," make a one-step with an Oriental rhythm that lends itself delightfully to dancing. "Girls, If You Ever Get Married," jollies one-steps, is on the other side.

These, with the fox-trot hit, "Poor Butterfly" (A5930, \$1.00), the one-step, "Step with Pep" (A5925, \$1.00), and the favorite waltz, "A Dream" (A5920, \$1.00), comprise a collection of star dance-successes. Hear them at your dealer's today—and you'll know how good dance-records can be!

JOHN HOGE, RICH ZANESVILLE MAN, DIES AT AGE OF 77

(Associated Press Telegram)
Zanesville, O., June 6.—John Hoge, 77, said to be worth \$10,000, died at his home here early today. He was one of the most prominent bankers and manufacturers in Zanesville.

FOURTEEN DEAD IN LATEST TORNADO

(Associated Press Telegram)
Kansas City, June 6.—Tornadoes caused the death of 14 persons, the injury of half a hundred, and much property damage last night in Missouri and Kansas, dispatches from various sections today showed.

Perhaps the most severe of the tornadoes occurred at Centralia, Mo., last night where five persons were killed, 20 injured, and 50 small houses destroyed.

In Missouri, just east of Richmond, two women and a baby were victims of a tornado that wrecked their home.

The village of Elmont, near Topeka, Kas., virtually was leveled, with the death of one man there and two others nearby as the storm swept on into the open country. A negro boy was killed near Lawrence and a man is reported dead at Clinton, further west.

GERMANS CHARGE WHEAT BURNED BY BRITISH

(Associated Press Telegram)
Berlin, June 6, via London.—In its report today on operations along the Macedonian front army headquarters announced that British airmen dropped incendiary bombs on ripening grain fields on the east bank of the Struma.

The German report caused a suggestion by Lord Calthorpe, a former member of the British army who has given much attention to the food situation that German crops might be destroyed through setting them aflame with fire balls dropped from enemy airplanes. The plains of Hungary were also mentioned as affording a field for such operations.

er going at a lively clip and he started after him. The foreigner thought it was a challenge for a race and he put on more speed and the chief was forced to hit the high spots only before he overtook him. In police court this morning the defendant pleaded not guilty, and his case was continued until tomorrow.

MILK CONSUMERS

It is not what you PAY, but what
you GET for what you pay that tells
the whole story of cheapness or cheap-
ness. Consider milk. There is noth-
ing like milk; there is no substitute
for milk, and for many purposes
there is no equal to milk. Mark
you, however, that milk must be
clean and safe in order to be desir-
able.

We wish to call the attention of
all housewives to our bottled milk,
which is cleaned from dirt by a
mechanical process of clarification
and Pasteurized by heat, as a safe-
guard against disease germs and to
add to its keeping qualities.
9c per quart—delivered—5c per
pint.

MILK PRODUCERS

The market price for milk this
year is averaging about 50 per cent
greater than a year ago and will be
more.

We want more milk and will be
glad to tell you particulars.
THE LICKING CREAMERY CO.,
Elmwood Court.
6-6-9-13-16

NOT ALONE

You are not in a class by yourself,
there are thousands of others just
like you, who enjoy music but can
not play the simplest melody. You
long for music, yet you can not play.
Why not satisfy this desire for music
by stopping at P. J. FAIRALL'S
store, 3 North Fourth street, and let
him demonstrate the Player Piano.
You'll be surprised at how much real
music you can get out of this won-
derful Player Piano and the price is
very reasonable. You can trade
your Piano on a Player and have
easy terms on the balance. 6-6-11

COMFORT.

The ready-to-wear clothing has
been a question to many a man or
young man, in the days that have
passed, but this question has been
solved by many of the makers of
ready-to-wear clothing. Among the
first to solve this question is the well
known firm of H. B. Kuschbaum
& Co. of Philadelphia and New York,
who have put forth every effort to
please the man or young man with a
suit that will fit and feel comfort-
able. You won't feel out of place if
you wear one of these \$15.00 \$20.00
or \$25.00 suits, for J. M. Mitchell's
store has made a specialty in hand-
ling only the best for the man or
young man in this line. A call will
satisfy. 6-6-11

Prayer Meeting.

Woodside prayer meeting will be
held Thursday morning at 9 o'clock
at the home of Mrs. John Wymmer,
Woods avenue.

Card From John McVicker.
John C. McVicker sends The Ad-
vocate a picture of a huge alligator
from Tampa, Fla., and says: "Would
send you the real article, but know
it would be of little use to you on
account of the scarcity of alligator
bait. Hope you and all friends are
enjoying good health as I am."

Capt. Hiser's Grandson.
Dressed in full uniform, Donald
Hiser arrived from Akron yesterday
to call upon his grandparents, Capt.
and Mrs. John Hiser of Granville
street, before going east to enter the
United States hospital service. The
visit was a surprise and Capt. Hiser
did not know that his grandson had
enlisted until he stepped into his
shop yesterday afternoon. Tears
filled the gallant old Civil war vet-
eran's eyes as he grasped the hand
of the young man and wished him
good luck and godspeed. Young
Hiser, who is the son of the late
John Hiser, gave up a good posi-
tion in one of the big rubber fac-
tories at Akron in order to give his
services to his country.

Taylor in Reserve Corps.
Milton R. Taylor of the Colum-
bus Hotel, in the city of that name,
former member of the board of
safety directors in this city, and who
was a baggage man on the B. & O.
for a number of years, is a member
of the Engineers Reserve corps,
and has been notified to prepare him-
self to enter camp with his corps.
He has notified his sister that he will
sail with the corps for France about
September 1, and that he will also
look up her son, Clarence, now one
of Uncle Sam's boys in the navy.

With Pershing Army.
The Good Samaritan Bible class of
the West Side Church of Christ will
meet Thursday at 2 p. m. at the
home of Mrs. Sidney Larson, 175
Union street.

Graduated From State.
Charles Roach, son of Mr. and
Mrs. Jerry Roach, formerly of Elm-
wood avenue, but now residing in
Zanesville, was graduated from the
medical college at Ohio State univer-
sity yesterday. Dr. Roach was a
graduate of the Newark high school.
Dorcas Bible Class.

The members of the Dorcas Bible
class will meet in the Central
Church of Christ, Thursday after-
noon at 1:30 o'clock.

Missionary Society.
The Woman's Foreign Missionary
society of the First Presbyterian
church, will meet at the home of
Mrs. Harry Marple, 329 Buckingham
street, Thursday afternoon at 2:30
o'clock.
Library Closes Thursday P. M.
Public library will be closed every
Thursday afternoon during June,
July and August.

ASTONISHING POWER OF IRON TO GIVE STRENGTH TO BROKEN DOWN NERVOUS PEOPLE

Physician Says Ordinary Nuxated Iron
Will Increase Strength of Delicate
Folk 100 Per Cent in Two Weeks
Time in Many Instances.

NEW YORK, N. Y.—In a recent dis-
course Dr. E. Bauer, a Boston Physician
who has studied widely both in this
country and in great European Medical in-
stitutions said: "If you were to make an
actual blood test on all people who are
ill you would probably be greatly as-
tonished at the exceedingly large num-
ber who lack iron and who are ill for no
other reason than the lack of iron. The
moment iron is supplied all their mul-
titude of dangerous symptoms disap-
pear. Without iron the blood at once
loses the power to change food into liv-
ing tissue, and therefore nothing you
eat does you any good; you don't get
the strength out of it. Your food merely
passes through your system like corn
through a mill with the rollers so wide
apart that the mill can't grind. As a
result of this continuous blood and
nerve starvation, people become gen-
erally weakened, nervous and all run
down, and frequently develop all sorts
of conditions. One is too thin; another
is burdened with an untidy fat; some
are so weak they can hardly walk;
some think they have dyspepsia, kidney
or liver trouble; some can't sleep at
night; others are sleepy and tired all
day; some fussy and irritable; some
skinny and bloodless, but all lack phy-
sical power and endurance. In such cases
it is worse than foolhardiness to take
stimulating medicines or narcotic
drugs, which only whip up your fag-
ging vital powers and make the trouble
worse at the expense of your life later on.
No matter what any one tells you,
if you are not strong and well, you owe
it to yourself to make the following
test: See how long you can work or
how far you can walk without becom-
ing tired. Next take two five-grain
tablets of ordinary Nuxated Iron three

times per day after meals for two
weeks. Then test your strength again
and see for yourself how much you
have gained. I have seen dozens of
nervous run-down people who were
ailing all the time double, and even
triple their strength and endurance and
entirely get rid of their symptoms of
dyspepsia, liver and other troubles in
from ten to fourteen days time simply
by taking iron in the proper form,
and this, after they had in some cases
been doctoring for months without ob-
taining any benefit. You can talk as
you please about all the wonders
wrought by new remedies, but when
you come down to hard facts there is
nothing like good old iron to put color
in your cheeks and good, sound, healthy
flesh on your bones. It is also a great
nerve and stomach strengthener and
the best blood builder in the world.
The only trouble was that the old forms
of inorganic iron, like tincture of iron,
iron acetate, etc., often ruined people's
teeth, upset their stomachs, and were
not assimilated, and for these reasons
they frequently did more harm than
good. But with the discovery of the
newer forms of organic iron all this
has been overcome. Nuxated Iron, for
example, is pleasant to take, does not
injure the teeth and is almost imme-
diately beneficial.

NOTE—The manufacturers of Nuxated
Iron have such unbounded confi-
dence in its potency that they author-
ize the announcement that they will
forfeit \$100.00 to any Charitable Insti-
tution if they cannot take any man or
woman under sixty who lacks iron, and
increase their strength 100 per cent or
over in four weeks' time, provided they
have no serious organic trouble. Also
they will return your money in any
case in which Nuxated Iron does not at
least double your strength in ten days'
time. It is dispensed in this city by Wm.
A. Erman, Evans' Rate Drug Store and
all other druggists.

SPLENDID SUMMER SCHOOL PROSPECTS MUSKINGUM COLLEGE

In spite of the uncertainties re-
sulting from the war situation, ar-
rangements have been completed for
the Summer School at Muskingum
College, and, if the number of in-
quiries received is an index of prob-
able attendance, the largest Summer
School in the history of the institu-
tion will assemble on June 18th.

Men will be registered at the be-
ginning of the term and, when, if
they so desire, they wish to work
for farm work in the interest of na-
tional defense. Plans have been
formulated whereby these students
may do the work necessary for nor-
mal credit at home under the su-
pervision of the members of the
Summer School faculty. A number
of the students have already indi-
cated their intention of following
this plan.

Many other young men, however,
desire either college or high school
credit and will, therefore, remain
for the session. An attendance of
two hundred young women is con-
fidently expected.

A splendid faculty has been se-
cured. Ten members of the regular
faculty will be retained. In addi-
tion, a group of excellent teachers
has been drawn from the high
schools of the state.

A wide variety of courses, about
seventy in all, will be offered.
Practically every need of the teacher
will be met.

Normal, High School, College
courses.

Vocal and Instrumental Music and
Oratory.

For full particulars, write
HOWARD McDONALD,
Dean of the College and Director
of the Summer School.

Amusements

BUCKEYE LAKE PARK.
A splendid program has been ar-
ranged for next Sunday, June 10.
Herman A. Houseman, aviator, is
now at the park with his flying boat
and will perform evolutions on the
water and in the air that will pro-
duce the thrills.

The ladies' band of Athens will
give an afternoon concert. There
are many new and attractive para-
musements this season. In addition
to the favorite attractions of boat-
ing, bathing, dancing, skating and
fishing. With the new and extensive
improvements Buckeye Lake Park
is now the most attractive summer
resort in the Middle West.

AUDITORIUM.

"The Silent Partner."
A sneeze more than that—a
Blanche Sweet sneeze—has started
the entire Lasky studio for practically a
whole day during the filming of her
production, "The Silent Partner,"
which will be the Paramount attrac-
tion at the Auditorium today and to-
morrow. In one of the scenes of this
photodrama, Miss Sweet is supposed
to enter hurriedly to prevent the
man she loves from committing a
murder. Near the door through
which she entered was a large vase
filled with flowers and standing up-
on a table. Miss Sweet was to open
the door quietly, close it behind her
and advance into the room. A num-
ber of scenes had already been taken
and the vase was well established.
The particular scenes of Miss Sweet's
entrance had been carefully re-
hearsed and the camera was grinding
merrily away. Just as Miss Sweet
opened the door, she sneezed—the
door escaped from her grasp, swung
back and knocked over the vase
which broke on the floor. To have
kept the sneeze in the picture would
have destroyed a big dramatic mo-
ment, so search had to be made
throughout the town to find an ex-
act duplicate of the broken vase and
an entire day was required to do
this, while the company had a holi-
day. Supporting Miss Sweet are
Thomas Meighan, George Hebert,
Ernest Joy and Mabel Van Buren.
This is the first Paramount for the
Auditorium.

"The Book Agent."
George Walsh, popular Fox star,
remembered to Newark fans by his
"Melting Millions," will be seen at the
Auditorium Friday and Saturday in
the new Fox picture, "The Book
Agent." Fun rampant is the only
phases which can be used for this
production. Walsh is seen in the
role of a wandering peddler of
toys, who combines with his keen

business ability a genial personality
that wins friends in the midst of
enemies.

"The Cloud Jumper."
In addition to the Paramount
Feature, "The Silent Partner" at the
Auditorium today and tomorrow,
Mr. Penberg has arranged with
the Fox Corporation for the two reel
comedy, "The Cloud Jumper" with
Hank Mann. This is said to be one
of the most laughable two reel com-
edies turned out by the Fox com-
pany, and patrons of this theatre are
assured two thousand laughs. This
gives Auditorium picture fans a most
pleasing program for two days.

"A Poor Little Rich Girl."
As Gwendolyn, the "poor little
rich girl," who had all that money
could buy, but didn't know her pay-
ments, Mr. Pickford in "A Poor Little
Rich Girl," her newest Arctur Picture
adapted from the well-known
Eleanor Gates subject, is afforded a
role of exceptional Pickford quali-
ties. Manager Penberg having re-
ceived many requests for the return
of this picture, has arranged to show
it next Sunday.

ALHAMBRA

Tonight and Tomorrow.
There was a secret bedroom in
Sylvia Lodge. When Allan Long, the
caretaker of the lodge, discovered
this bedroom he wondered greatly
what it meant. He found out its
meaning later under the most start-
ling and tragic circumstances. But
the secret bedroom is only one of the
mysteries in "The Page Mystery,"
the newest World-Picture Brady-
Made which comes to the Alhambra
theatre tonight and tomorrow with
Carlyle Blackwell in the role of Al-
lan Long and with Arthur Ashley
and June Elvidge in important and
vital characterizations. This splen-
did mystery story was largely filmed
in the Adirondack mountains where
the company went especially for this
purpose. Consequently the outdoor
scenes are wonderfully beautiful and
as the interior scenes were filmed in
one of the gorgeous camps owned by
millionaires, they are equally aston-
ishing. See this splendid feature by
all means.

No Matter How Pretty Your Summer Outfit Is A Handsome Parasol

Will add the finishing touch. It's time to talk Parasols and time to carry them. Then early in the season there are many individual styles when the collection's first displayed, so why not select early and secure a charming style that later may not be available.

Novel shapes, high colored materials and long wood handles, many with fancy carving, are characteristic of the latest models.

The combinations of colors are unusually striking. Some are plain centers with pretty floral or striped borders on each side, while others show a fancy center with the plain bands. One handsome Parasol has a green center with a black and white striped border.

Others are in two shades, such as the center of deep purple, and the border being a lighter shade. The color assortment is varied, but as many of these are shown in only one of a kind we suggest an early selection.

Wash Parasols and fancy silk novelties will be found on display.

Prices: 75c, \$1.25, \$1.50, \$2.00, \$2.50, \$3.50, \$5.00 and \$6.00

The Children Are Always Proud of a Dainty Parasol

Have you ever noticed what pleasure it gives a little miss to be the possessor of a pretty little Parasol? They like to pick one out, and in our Children's Parasol stock, they will find it easy to select a color they like. For their inspection are pretty Wash Parasols in plain white, linen color, pretty cretonne novelties, silk Parasols in plain colors and fancy borders.

Bring the children in to select a Parasol from our offerings at 25c, 50c, 75c, \$1.00, \$1.25 and \$1.50.

F. W. H. Mazy Company

ADVANCE GUARD OF U. C. T. ARRIVES; FIGHT FOR 1918 MEET STARTS EARLY

E. P. ROBERTS
Senior Councilor Newark Council,
U. C. T.

The advance guard of the big United Commercial Travelers' state convention is beginning to arrive in the city. Representatives from three of the cities to make a big fight for the convention of 1918 are on the ground, posting their advertising and distributing literature.

Ed Gehring of Cleveland, and a member of the grand executive committee arrived in Newark yesterday and he will make a tremendous effort to land the convention for Cleveland. L. B. Speed of the Elwood Myers company, is the advance man for the Springfield delegation and he will advertise his home town in Newark and at Buckeye Lake, Springfield also sent a delegation here Memorial Day to boost the town.

The first of the officers to arrive this afternoon was R. F. Somerville of Dayton, who is the grand secretary of the state organization, and he will be located at the Warden Hotel as that will be the official headquarters of the grand council.

The three thousand expected visitors will begin to arrive in the city tonight and tomorrow morning and the publicity and conventions bureau of the Chamber of Commerce has aided the members of the local council of the U. C. T. in obtaining hundreds of homes for the accommodation of the guests.

The three days program as arranged for the entertainment will be a gala one. A big parade will be held Thursday evening, leading to Hudson avenue where the big Mardi Gras celebration will hold sway. Hudson avenue is already bedecked with flags and lights and on Thursday evening it will be a gay, white way, highly illuminated, and the festivity will be heightened with the hundreds of masked and fancy costumed dancers. Confetti will be sold and the carnival spirit will predominate. The proceeds of the Mardi Gras and masque ball will be devoted to worthy relief work.

On Friday afternoon and evening the visitors will be royally entertained at Buckeye Lake, where all the entertainment of the park will be placed at their disposal, and on Saturday the big parade day of the convention, all the delegations will be massed with the bands in a mammoth parade. On Friday and Saturday Dave Murphy's famous rub band, which landed a prize at the

R. F. SOMERVILLE
Live Wire Secretary of Ohio United
Commercial Travelers.

Travelers' convention in Columbus last year, will be a feature of the program.

Every hotel, boarding and rooming house has been engaged and five hundred homes will be thrown open to the visitors. The entire town will welcome the guests. The detailed program follows:

Thursday, June 7.
Receiving and registering visiting and resident members and their ladies at K. P. hall, East Main street. Registration opens at 9 a. m. No registrations will be received at any other place than the K. P. hall.

1:30 p. m.—Grand executive committee convenes at Warden Hotel.

7:00 p. m.—Finance committee meets at Warden Hotel.

8:00 p. m.—Mardi Gras and masque ball on Hudson avenue. Parade at 7:30 p. m. headed by the Buckeye band. Only persons in masque or costume permitted to dance on the asphalt pavement. In the event of rain, the mardi gras will be held in the Knights of Pythias hall and Masonic Temple.

Friday, June 8.

8:00 a. m.—Registration at K. P. hall.

8:45 a. m.—Addresses of welcome by Mayor R. C. Bigbee and President F. L. Beggs of Chamber of Commerce.

9:00 a. m.—Auto ride for visiting ladies. Includes the trip to Granville, Denison University, Country Club, Moundbuilders Park and points of interest about city.

9:30 a. m.—Grand council convalesce at K. P. hall.

2:30 p. m.—Take cars at Ohio Electric station for trip to Buckeye Lake.

3:00 p. m.—Dancing at Mauger's Pier.

4:00 p. m.—Barbecue dinner.

7:30 p. m.—Dancing at Mauger's Pier.

Saturday, June 9.

8:00 a. m.—Registration at K. P. hall.

8:00 a. m.—Initiation of candidates at K. P. hall by Grand officers.

9:00 a. m.—Closing session of Grand Council.

10:00 a. m.—Special entertainment at High school auditorium.

1:00 p. m.—Entertainment of Travelers' parade. Band tournament.

Prize of \$50 cash for best band; \$25 for best appearing council and \$25 for council having largest percentage of membership in line.

SMALL CROWD AT PATRIOTIC MEET; ADDRESSES FINE

The auditorium at the Newark High school was not half filled on Tuesday evening, at the celebration planned to honor the men who registered yesterday. Supt. Donald F. Stevens of the B. & O. as chairman of the program, presided on the floor of the people of Newark and of Ohio to realize that the country is at war and that it faces the gravest crisis in its history.

Mr. Stevens stated that a visit to the stern stern and show that that position of the country is alive in the tremendous seriousness of the situation and that there the slogan is preparation and interest, but that the central and western states were unresponsive. While the attendance at the meeting was small, the program was a most interesting one.

At 6 o'clock the Buckeye band gave a short concert and headed the procession of a number of men who registered under the conscription law, yesterday. The auditorium had been profusely decorated by the members of the senior class for the celebration. The stage had a background which had the flags of the United States, England and France. The Star Spangled banner centered the stage and surmounted by the American flag. Pairs were also placed on the stage and the tri-colored adorned the auditorium and were festooned from the balconies.

Mr. Stevens, before presenting the speakers, apologized to the men who registered yesterday and were supposed to be honored by last night's meeting. He expressed a regret that the Newark people did not more fully appreciate the seriousness of the hour and that they had failed to show their appreciation of the occasion by attending.

The program opened with a most impressive march on the refrain of the Star Spangled Banner was taken up by the audience which stood during the entire program. Rev. R. W. White, pastor of the Tenth Street I. R. church, followed by Don Tullis on the program and delivered the invocation.

Rev. J. H. Franklin, pastor of the Trinity Episcopal church, and president of the local chapter of the Red Cross, gave an address which has a hard history of events leading up to the present war, and he detailed the different aspects of the war, and the necessity for the country to "keep cool." Mr. Franklin's talk was a clear, concise and well delivered presentation of the real causes for the war, and why, if the United States wished to maintain and retain her self respect it was necessary for her to take an active part.

Mr. Homer J. Davis, who has been interested in the local work of the Red Cross, gave an address which has a hard history of events leading up to the present war, and he detailed the different aspects of the war, and the necessity for the country to "keep cool." Mr. Franklin's talk was a clear, concise and well delivered presentation of the real causes for the war, and why, if the United States wished to maintain and retain her self respect it was necessary for her to take an active part.

It had reached a world-wide service in its great work for alleviating human sufferings. In explaining that it was necessary to have a conscription law, Mrs. Davis stated it was not an organization for war service alone but in every way it offered its aid to suffering humanity.

Dr. Lewis, who has recently returned from Washington where he attended the war council of the Red Cross, called at the auditorium and spoke of the \$100,000,000 for Red Cross work. At the recent war council the prominent men of the country were in attendance and the greatest enthusiasm was manifested in the work to be undertaken and plans were made for the work.

Dr. Lewis, in a short time and then explained the meaning of the liberty loan, the part it was to play in the present war and the part it was to play in the future.

It is planned to secure two billion dollars by the sale of the liberty bonds, and Mr. Fitzgerald brought before his audience a duty to serve the country in the capacity of a soldier. But Mr. Fitzgerald further explained, it was not a service to the country, but a service to the country at the rate of 2-1/2 per cent and not taxable, therefore they are desirable bonds, the standpoint of a business investment.

The celebration closed with the singing of a verse from the Star Spangled Banner after which the final benediction was pronounced.

WATCH STOCK FOR DISEASE IS SLOGAN FOR ALL FARMERS

The attention of farmers is called to the danger of hog cholera, foot and mouth disease, and other contagious diseases, to which stock is subject at this time of year.

Every farmer should keep close watch on all kinds of stock and report the first symptom of any contagious disease. Experts will be sent from Columbus on an hour notice, and the council desires to be of service to the farmers of the county in stock conservation.

It is time also to begin spraying early potatoes and vegetables. Attention is called to the fact that the state publishes bulletins of great value which can be had on application of the state experimental station. Every farmer and gardener should make use of these bulletins. Mr. E. E. Penner, N. E. Shaw, Department of Agriculture, Columbus, Ohio, can be reached by mail.

State University. They can be had on application at the Chamber of Commerce rooms, and at the Public Welfare Bureau, 14 Curcul and Schuchman buildings.

URIC ACID ERADICATED

(By Dr. N. C. Cook.)

A poison as dangerous as strychnin is manufactured within our own body, called uric acid. When it accumulates in the body and the kidneys fail to carry it off, we suffer from dull headache, sleeplessness, muscular pains, lumbago, or it may cause rheumatism or gout. The uric acid can be seen in the cloudy sediment in the water—what is called the "brick dust," noted on the sides of the vessel containing it—after a few hours' standing. The water is scant, high-colored, strongly acid, and this should be a danger sign, and if not taken in time, by cutting out the meat, tea and alcohol, may end in rheumatism or gout.

Drinking plenty of water between meals—a pint of hot water half an hour before meals—and take Anuric (double strength). This was first discovered by Dr. Pierce, of the Surgical Institute in Buffalo, N. Y., and is harmless to the system, but sure and effective in carrying off the uric acid. It stimulates the kidneys and helps them to carry off the uric acid poison. Anuric can be obtained at almost any drug store, and helps to counteract the acidity of the system.

A blockade in the intestines piles a heavy burden upon the liver. If the intestines are choked or clogged up, the circulation of the blood becomes poisoned and the system becomes loaded with toxic waste, and we suffer from headache, yellow-coated tongue, bad taste in mouth, nausea, or gas, acid dyspepsia, languor, debility, yellow skin or eyes. At such times one should take a pleasant laxative. Such a one is made of the May-apple, leaves of aloe and root of jalap, first extracted and put into ready-to-use form by Dr. Pierce, nearly fifty years ago, and sold by all druggists as Dr. Pierce's Pleasant Pellets.—Advertisement.

Granville

[Special to The Advocate]

Granville, Ohio, June 6.—The registration officials served long hours yesterday, but everything passed off quietly and harmoniously. A large number of men came to register at first were inclined to shy at the Red Cross girls stationed at the booths to pin on their badges, and some of them were afraid if there were "anything to pay." Very soon, however, they became convinced that there was to be no assault on their purses. Those who assisted at this Red Cross ceremony were Mrs. Mary Dunbar, Mrs. R. S. Edwards, Misses Elizabeth McCafferty, Evangeline Davies, Josephine Darrow and Frances Carney.

At the meeting of the A. F. W. on Tuesday, much work was accomplished and many valuable gifts were received. Mrs. E. J. Dorsey, who has been ill for a few days, sent a box of surgical cloths. Mrs. M. H. Jones brought a large basket filled with exquisitely finished articles for infants' wear, comfort pillows, hospital slippers and so forth, contributed by the Sunday school class, class No. 7, in the Presbyterian church.

Indirect aid to the method for getting in touch with the men at the front brought out the information which was published in this column last week, that the best of the "fairy godmother" agency, as has been proved by several of the Granville women engaged in relief work. Address Mrs. R. S. Johnson, "Townsend," Hayes, Middleburg, England. Mrs. Johnson, who lost both husband and son in the war, has given up her time to relief work.

The following is a translation of a letter of thanks from one of the soldiers who had received a comfort bag containing a letter written in French by the donors:

May 7, 1917.
Dear Sir and Madame:—Finding me at the hospital since some days, today, Sunday, I have had the honor to receive a little present containing many things which have given me great pleasure. I send you my address my best thanks. I would wish to be with you to talk with you and to thank you closer (?) Now, some one has asked me to add to the letter a note to the hospital, to tell them that I have been in the army and not having been home for some time, I have none at all. But, if some time, among you there are some ladies or young ladies desirous of having my photo, I could procure it here after a little. I shall give you my address and you will have the kindness to send me some lines. Here is the address: "Cabane Louis Hospital 34 bis Pavilla 2, Section 21." I think I shall not remain long in the hospital, the end of some months I shall be convalescent and I will go to Paris, as I always do, close to my family. I shall be glad to hear from you and to hear of my hand and in repeating my thanks to you.

While the A. F. W. and Red Cross have combined their activities in having the expenses of the new headquarters, neither committee has "taken over" the other. Each is a distinct organization although the same workers are active in both. The work of the A. F. W. is not under the restrictions which govern the National Red Cross work. The funds for the two lines of work are separate and distinct. Money for the A. F. W. is raised as heretofore for the relief of the wounded in France. The money for Red Cross membership is sent to the National headquarters, thence it finds its way into the state and national fund.

The grandmaster sermon before the graduating class of Denison university will be preached next Sunday in the Baptist church.

AN EASY WAY TO BANISH PIMPLES

If you are troubled with pimples, blackheads, acne, barber's itch, blotches, freckles or other skin disease or blemish, now is the time to get rid of it with Hokara.

This pure and simple skin healer is being introduced in Newark by Evan's Cut Rate Drug Store at the low price of 35c for a liberal sized jar, and they have sold hundreds of treatments.

It contains no grease or acids, is cleanly to use and is a true nourishment for the skin, cleaning and clearing it in every pore, making it soft, white and beautiful.

If Hokara does not do even more than is claimed for it and give perfect satisfaction, return the empty jar to Evan's Cut Rate Drug Store and you will refund your money. If you have any skin trouble, you cannot spend 35c to better advantage than for a jar of this skin food.—Advertisement.

LEGAL NOTICE

Rosa Schenk, whose residence is unknown, will take notice that on the 25th day of November, 1916, The Home Building Association Company filed its petition in the Common Pleas Court, Licking County, Ohio, in case No. 18453, against the above named Rosa Schenk and others praying for the partition of three mortgages owned by Rosa Schenk to plaintiff on the following described property: Situated in the County of Licking in the State of Ohio and City of Newark and described as follows:

Commencing on the east line of North Fourth Street nine (9) feet north of the northwest corner of lot number five hundred and fifty-nine (559) in said city as conveyed to Francis A. Stone and husband by Henry R. Burner and wife, see Volume 134, page 562 Deed Records of said Licking County, Ohio, at a fence, thence south to the east line of said North Fourth Street forty-six (46) feet and three (3) inches; thence east parallel with the north line of said lot number five hundred and fifty-nine (559) to the west line of Elmwood Avenue; thence north on said west line to a point nine (9) feet north of the northeast corner of said lot number five hundred and fifty-nine (559); thence west to the place of beginning.

Given to secure debts on which a balance of \$1572.72 is due, with interest from November 24, 1916. Said parties are required to answer on or before June 30, 1917, or the allegations of said petition will be taken as true. The Home Building Association Company, Plaintiff. Daniel J. Correll, Attorneys.

New Corn Cure A Real Marvel

Guaranteed and Absolutely Painless. A corn cure that is painless and that will really do the work has finally been discovered. Heretofore, the poor sufferer from corns has been pestered with "drawing" salves and plasters that swell the corns and has had finally to gouge out his corn and inflict upon himself still greater pain. With Hall's Painless Corn Cure all pain ceases on the first application and then finally the corn comes right off easily and painlessly. You don't have to dig it out and run the risk of drawing blood, making your corns still more sore or getting blood poison.

Hall's Painless Corn Cure is easier to use than any other, it takes a few seconds to apply it. It is guaranteed absolutely in every case. You must be satisfied or back goes your money. Lasts longer than several packages of any other corn treatment and you are sure to get rid of corns and bunions. Sold at 25 cents a bottle at

ROOTS AND BARK ANCIENT REMEDY

Our Grandfathers Used Them
In Crude Form.

Our grandfathers and great-grandfathers knew the medicinal values of roots, barks, flowers and berries. Their medicinal qualities are the same now as they were a hundred years ago, but the scientific process of treating them has been improved.

In former times herbs were brewed into teas. Today modern laboratories make a vastly superior product. Tanlac is a preparation of roots, barks and berries subjected to a process that extracts their medicinal virtues in concentrated form. It is especially designed to build up run down people. It has helped thousands of people who were suffering from disordered stomachs, liver and kidneys.

Sylvester Dase, R. F. D. No. 2, Newark, is only one of the thousands who have come out publicly and endorsed Tanlac. Here is what he has to say about this wonderful tonic:

"I feel like a new man since I have been taking Tanlac. Before I took it, however, I had trouble with my stomach. After eating I got drowsy and didn't have any ambition. Gas formed in my stomach and made me feel half sick. I often had headaches and got so dizzy at times that I thought I would fall."

"I didn't sleep well and felt tired all day. I didn't feel like doing anything. But now, thanks to Tanlac, that condition is changed. I can eat what I want without bad after effects, and I sleep soundly. too. I get up rested and refreshed and don't have dizzy spells during the day. I am glad to tell what Tanlac has done for me."

Get Tanlac today!

Tanlac may be obtained in Newark at Erman's Arcade drug store; in Hebron at Hebron Drug Co.; in Alexandria at C. M. Gilmore's; in Pataskala at J. R. Strine's; in Granville at W. P. Ullman's.
